# The Cornerstone Orphanage Founding Family Homes Newsletter

Recently, in Japan, it is said that the third wave of Corona virus infection has started, some say we need to have a period of time of restrain, and some say that's difficult for economic activities. Both opinions sound correct, but this is a very serious matter. We have been supporting children of abroad in many ways, and we are sending a fixed amount every month, so we have to watch domestic movement carefully.

But we have a clear vision which is the foundation of orphanage in every country, and foundation of family home in many places of Japan, and also we have the name The Cornerstone Orphanage from the Bible, which is the principle word for us, so we should stand on that word and keep moving on. Actually there was worry that we might not continue our support for children because of the restrain period from this spring to summer caused by Corona virus. But by your precious donation, we are blessed financially more than ever. We truly appreciate your support from our heart.

Furthermore, we are to appeal through SNS and HP, and planning to do nationwide publicity work little by little.

We pray and ask you all to support our work kindly this business year too.

The Cornerstone Orphanage Chief Manager Ayumu Majikina

# We ask your support for setting up a family home

The Great East Japan Earthquake on March 11th 2011 caused great damage to the East Japan Japanese society, but as The Cornerstone Orphanage we supported the foundation of a family home in the disaster - stricken area.

The Cornerstone Orphanage is now working to expand our project all over Japan. We kindly ask you all to support us further more from our heart.

Director of The Cornerstone Orphanage **PAUL AKIMOTO**
