The Cornerstone Orphanage Founding Family Homes Newsletter

Thank you for your support and corporation for the work of children's welfare in Japan.

Though we have been investigating at Kagoshima prefecture for setting up a family home few years ago, it was not right timing, and it has been suspended for reconsideration. But recently we received a contact from a person who lives in Kagoshima that he wants to help a project of family home.

It is completely different situation comparing few years ago, we feel the needs of family home in Kagoshima, and we are taking contact with the person.

We mentioned in newsletter before, but we have a plan to set up and operate family homes all over Japan.

So we will set up a family home in Kagoshima sometime in future. Anyone who is reading this newsletter, if you are interested in family home or have information about it, please call us or contact us through email or direct mail of SNS.

We reported our annual activity at a meeting of certain group, and we learned that we have been helped by your support greatly and blessed.

We give thanks to your continuous support.

We pray and ask you all to support our work kindly this business year too.

We ask your support for setting up a family home

The Great East Japan Earthquake on March 11th 2011 caused great damage to the East Japan Japanese society, but as The Cornerstone Orphanage we supported the foundation of a family home in the disaster - stricken area.

The Cornerstone Orphanage is now working to expand our project all over Japan. We kindly ask you all to support us further more from our heart.
