The Cornerstone Orphanage Founding Family Homes Newsletter

Thank you for your support and corporation for the work of children's welfare in Japan.

A state of emergency has been declared at beginning of this year for ten prefectures including Tokyo, and we pray that the spread of infection of coronavirus ends as soon as possible.

We truly thankful for supporters who has been supporting The Cornerstone Orphanage continuously even in this situation.

We would like to reach out and help many children in this year too.

About family home project, we don't have any concrete plan about where or how we start, but with the vision of family home to be built in many places of Japan, we would like to continue research assiduously, as we learn how to treat children, watching orphanages we are operating directory, such as Cambodia orphanage.

We are looking for people who has an experience of working in children care institute (infant home), for staffs of family home, since staffs of family home have to have that experience.

If you have any information, please contact The Cornerstone Orphanage office.

We pray and ask you all to support our work continuously.

We ask your support for setting up a family home

The Great East Japan Earthquake on March 11th 2011 caused great damage to the East Japan Japanese society, but as The Cornerstone Orphanage we supported the foundation of a family home in the disaster - stricken area. The Cornerstone Orphanage is now working to expand our project all over Japan. We kindly ask you all to support us further more from our heart.
