The Cornerstone Orphanage Founding Family Homes Newsletter

Thank you for your support and corporation for the work of children's welfare in Japan.

We are truly grateful that you have been supporting us continuously, even in a situation of state of emergency for Tokyo has been extended, and under Stay-at-home requests. We give Thanks to you from our heart.

As I write many times, I pray that the spread of infection of coronavirus ends as soon as possible, and your daily life to be safe and peaceful.

I already write in this newsletter before, but there is a person living in Kagoshima, who wants to help and support The Cornerstone family home, and we have been exchanging informatios . He called us saying his friend from high school has interest with family home and she wants to hear from us, so we three had a meeting the other day. She was born in Amami-Oshima. She was born the region where we inspected the land near primeval forest of mangrove some time ago, and she said she will go back to Amami- Oshima after 30 years, and start to live in Amami-Oshima from this spring. I felt she has zeal for activity in Amami-Oshima very much, and I hope she would help us founding a family home in Amami-Oshima in future.

We pray and ask you all to support our work continuously.

We ask your support for setting up a family home

The Great East Japan Earthquake on March 11th 2011 caused great damage to the East Japan Japanese society, but as The Cornerstone Orphanage we supported the foundation of a family home in the disaster - stricken area.

The Cornerstone Orphanage is now working to expand our project all over Japan. We kindly ask you all to support us further more from our heart.

Director of The Cornerstone Orphanage

PAUL AKIMOTO
