The Cornerstone Orphanage Founding Family Homes Newsletter

Thank you for your support and corporation for the work of children's welfare in Japan.

We are doing research for work of family home, a person who lives in Hokkaido called us recently, and we are now researching if it's possible to set a family home in Hakodate city.

The walk to set up family homes all over Japan comes to next step.

On April 17th, The Cornerstone Orphanage directors meeting was held. Topics of discussion were, about general meeting, activity report of April 1st of 2020 to March 31th of 2021, and about activity plan of this year. As family home project, we advertised though website and SNS, to all over Japan and over sea last year.

We appreciate for your great support. We are not well known yet, but we ask your help and support for this year too.

As we see recent news of abused children, there will be more needs of facility to help children. Those children will receive blessings as Bible says "The stone which the builders rejected is become cornerstone", we will see that comes to reality, not only orphanage over sea, but in this country too. In Tokyo, stronger measures to prevent the spread of the Corona virus has been taken.

We ask your prayer for perfect protection for society and also work of children's welfare, and the best to be done for the project of setting family home too.

We pray and ask you all to support our work continuously.

We ask your support for setting up a family home

The Great East Japan Earthquake on March 11th 2011 caused great damage to the East Japan Japanese society, but as The Cornerstone Orphanage we supported the foundation of a family home in the disaster - stricken area.

The Cornerstone Orphanage is now working to expand our project all over Japan. We kindly ask you all to support us further more from our heart.
