

One scene of a school in Zambia

# The Cornerstone Orphanage Founding Family Homes Newsletter

Thank you for your support and corporation for the work of children's welfare in Japan.

The other day, one company which plans on-line event contacted us, they offered us to make an opportunity of cultural exchange using internet, between children and staffs of our orphanage and some japanese students. We decided to accept the offer after we examined the matter as The Cornerstone Orphanage.

And the even called on-line tour was held using ZOOM(communication appli) with children in Zambia, whom we are supporting to learn in school.

In the event, Zion Oko Mutale who is in charge of Zambia orphanage appeared on-line, she introduced culture of Zambia, daily routine of children. And japanese students who joined the event were listening with fascination.

At the end, there was a time for Questions and Answers, Zion Oko Mutale was answering to each question sincerely.

Some days later, one student who attended on-line tour asked us to visit our office to learn more about it. We noticed here are many young people in Japan, who has passion for welfare. Family home project is to start in earnest in near future, we expect those young people to be active as our staffs too.

We pray and ask you all to support our work continuously.
