The Cornerstone Orphanage Founding Family Homes Newsletter

Thank you for your support and corporation for the work of children's welfare in Japan.

We have been researching about work of children care in Japan, the other day, who has been supporting The Cornerstone Orphanage regularly contacted us.

He introduced us a certain children care center, which has been running very well, and we decided to visit the facility in time.

I heard that is long-established facility in Japan, we are looking forward to inspect various places and learn a lot. In this situation of time, we might be expected a different way of operating than before, but we think the number of children in severe situation is also increasing in this situation, so we feel more and more that founding a facility is our urgent task.

The other day, we received a large amount donation for Zambia Orphanag (Cornerstone of Hope) to purchase a land.

We are truly thankful, since purchase a land in Zambia is our long time desire. We would like to give thanks to people who helped us agin here.

We have been appealing donation to get new place in order to support more children in Zambia, after purchased a land, we have a plan to built a facility, as the next step. We ask your furthermore support.
