The Cornerstone Orphanage Founding Family Homes Newsletter

Thank you for your support and corporation for the work of children's welfare in Japan.

The 21th annual general meeting must have been finished at the time everyone receives this newsletter.

We truly appreciate for your support for operating each orphanage, preparation of founding a new orphanage, and for preparation of domestic family home project. We have already received your support again this year, but we ask your continues support.

We are planning to visit to study a certain children's care center of Okayama, around August. We got permission of taking video from the person in charge of the children's care center. We hope to be protected from any problem, going and coming back, since we will go by car.

We would like to expect in moving forward to the vision of setting a family home many places in this country.

We got invitation from a high school located in Tokyo metropolitan city, and vice chairman Kihara will give lecture on June 4th.

All of senior students will gather at an auditorium, or part of them will attend by internet, that we heard.

The lecture meeting has been held almost 20 times, he explained about orphanage in abroad, and domestic family home project every time, we received good response from students every year.

We pray the message of The Cornerstone Orphanage would reach out students this time again.

We pray and ask you all to support our work continuously.

We ask your support for setting up a family home

The Great East Japan Earthquake on March 11th 2011 caused great damage to the East Japan Japanese society, but as The Cornerstone Orphanage we supported the foundation of a family home in the disaster - stricken area.

The Cornerstone Orphanage is now working to expand our project all over Japan. We kindly ask you all to support us further more from our heart.

Director of The Cornerstone Orphanage

PAUL AKIMOTO
