

We gave a lecture in a classroom.

The Cornerstone Orphanage Founding Family Homes Newsletter

Thank you for your support and corporation for the work of children's welfare in Japan.

On October 7th, we were invited by a teacher who is in charge of a certain club of a high school in Tokyo metropolitan area, and we talked about The Cornerstone Orphanage. 10 students of 1st and 2nd grade who are members of the club gathered, and I did total introduction of The Cornerstone Orphanage, and Mr John Akimoto our staff talked about orphanage and education support in Zambia, students were taking notes listening carefully, and it became valuable one hour. Lastly we had a question and answer time, and everyone asked questions eagerly, about the details of life in Zambia, condition of financial support, and so on. There were sharp questions which we wondered how to answer, we had a meaningful time. The Cornerstone Orphanage has been holding a lecture meeting for 3rd grade students of that high school every year, and students holding a panel exhibition and gathering donations, they are active with welfare ministry, that I am grateful and impressed so much.

I would like to thank you for giving us a chance to give a lecture about our ministry, here again.

We pray and ask you to support our work continuously.

We ask your support for setting up a family home

The Great East Japan Earthquake on March 11th 2011 caused great damage to the East Japan Japanese society, but as The Cornerstone Orphanage we supported the foundation of a family home in the disaster - stricken area.

The Cornerstone Orphanage is now working to expand our project all over Japan. We kindly ask you all to support us further more from our heart.

Director of The Cornerstone Orphanage

PAUL AKIMOTO
