Thank you for your support and corporation for the work of children's welfare in Japan.

The other day, few staffs of The Cornerstone Orphanage met a staff of certain famous foundation which is working in Tokyo Metropolitan area, and had chance to talk with him. Since the foundation is very famous, we got little nervous, but the staff we met was open-hearted person and listened to us earnestly, and answered us very politely.

We explained about the activities of The Cornerstone Orphanage of Zambia hoping their support, he gave us several advices for not only for Zambia, but for the activities of The Cornerstone Orphanage Tokyo office, and also for our publicity work.

We learned a lot from him.

Only a part of staffs could hear him this time, so I strongly hope all staffs to get his advices for the work of family home next time.

We are planning to visit a big facility of children's welfare in Mie prefecture for founding a family home in near future.

We pray and ask you to support our work continuously.
