# The Cornerstone Orphanage Founding Family Homes Newsletter

Thank you for your support and cooperation in the work of children's welfare in Japan. On October 23rd and 24th, a panel exhibition was held at certain junior and high school which located in Tokyo metropolitan area.

Using a classroom and a corrido as the venue, about 30 panels of pictures of orphanage children and orphanage buildings.

Students who saw those panels, also donated for children.

We are grateful for many people to get to know about The Cornerstone Orphanage, but not only that, but it's wonderful to know they donated for children too.

We are very grateful. We thank it is a good thing to their life for young students to lean about the situation of children of other countries, who doesn't have any parent, or who are not able to have everyday meal in severe poverty even if they have parents, children in very different situations concerning Japan.

And it is good for us to see various responses, for prepar to set up family home in Japan. I believe children of our orphanage, as the name of Cornerstone, they are going to go all over the world, and will be involved in great work.

One child who is in a picture came to Japan to study in Japanese University.

I think this is the first step for every child of Cornerstone Orphanage to play an active part all over the world.

We pray and ask you to support our work continuously.
