

We held a charity street live.

# The Cornerstone Orphanage Founding Family Homes Newsletter

Thank you for your support and cooperation in the work of children's welfare in Japan. On January 1st, The Cornerstone Orphanage held a charity street live at a certain place of the metropolitan area of Tokyo. 16 gospel groups such as Gifts, True Vine, Spring of Life, Ayu, sang in charity live. Some people stopped to listen and donated for orphanage, as soon as they started to sing. I felt gospel fits to charity very well.

We held a charity concert indoors for two years because of corona, we were happy because we could appeal donations for The Cornerstone Orphanage outdoor finally, we were surprised to see we could gather largest amounts of donation in last few years. Especially foreigners responded to our appeal very well. People took video of us singing gospel and appealing for donation, and they received fliers willingly. Many people donated without any hesitation. We would like to give thanks to many people for their support and donation from our heart.

The number of who donates big amount is increasing these days, so that we can help many children. We think we are so thankful that we are involved in this kind of work. We pray and ask you to support our work again this year.

For the family home project, we need staff who bring up children and support staff who have licenses. In order to get the license, you need a diploma from the university or college of welfare, or you have to work at children's care center or nursery home for more than three years. If you would like to work for a family home, I recommend you to get the license first. Please let us know if you have a will to work for a family home.

# We ask your support for setting up a family home

The Great East Japan Earthquake on March 11th 2011 caused great damage to the East Japan Japanese society, but as The Cornerstone Orphanage we supported the foundation of a family home in the disaster - stricken area.

The Cornerstone Orphanage is now working to expand our project all over Japan. We kindly ask you all to support us further more from our heart.
