The Cornerstone Orphanage Founding Family Homes Newsletter

Thank you for your support and cooperation in the work of children's welfare in Japan. On March 11th, we were invited to a charity dinner party(annual general meeting) of NPO World Support 21, the group that has been supporting The Cornerstone Orphanage for a long time, and 3 staffs and a director Onojima attended.

We have been receiving donations regularly from World Support 22, and they have been helping our advertising activities too. We reported our activity at the party, and we greeted some Diet members who were attending the party. One Diet member talked about Mr Juji Ishii, who founded the first orphanage in Japan. He was interested in children's welfare, and he was interested in our ministry, too.

Later, he called us and said he would like to visit The Cornerstone Orphanage Tokyo office. at the time this newsletter was sent, we must have met him.

We met an architect who has a plan to open a dining room for children in order to give a place for children. The party illbecame a wonderful opportunity for The Cornerstone Orphanage.

We ask for your continuous support and cooperation again this year.

We need foster staff and assistant staff for a family home project. You need one of these qualifications to become a foster staff member, such as major welfare in university or college, who worked in a children's care center or infant home more than three years. If you would like to work as a family home staff, we recommend you to get those qualifications, and contact us.

We ask your support for setting up a family home

The Great East Japan Earthquake on March 11th 2011 caused great damage to the East Japan Japanese society, but as The Cornerstone Orphanage we supported the foundation of a family home in the disaster - stricken area.

The Cornerstone Orphanage is now working to expand our project all over Japan. We kindly ask you all to support us further more from our heart.

Director of The Cornerstone Orphanage

PAUL AKIMOTO
