The Cornerstone Orphanage Founding Family Homes Newsletter

Thank you for your support and cooperation in the work of children's welfare in Japan. On April 20th, we held the Cornerstone Orphanage Directors meeting. From 10AM, using the LINE application, all directors, inspectors, and a few staff members attended the meeting, and we discussed some subjects for the general meeting, which will be held in June. Adding to the activity report and financial report of last year, it is the year for the reelection of directors. This time, Mr John Akimoto was elected as a new director, and it was approved. We would like to strengthen our work in Japan and abroad, with this new system. The other day, Mr Shinpei Matsushita, who is a member of the House of Councilors, visited The Cornerstone Orphanage Tokyo office with his secretary. We met Counselor Matsushita at the charity party of one NPO group, which has been supporting us, we greeted him, and we had time to talk with him. He wanted to know and understand our work more deeply, and he visited our office this time. Counselor Matsushita listened to talk of me and director John Akimoto attentively. He especially had a great interest in Zambia's school activities. He taught us that it is very important to give a chance to take education for supporting children. We felt that's the same direction we were heading for. Counselor Matsushita is struggling with social service work positively, and he is supporting many groups since he thinks people have a low sense of a contribution to society in Japan. We pray and ask you to support our work continuously again this year. About Family Home. We need foster staff and assistant staff for a family home project. You need one of these qualifications to become a foster staff member, such as major welfare in university or college, who worked in a children's care center or infant home more than three years. If you would like to work as a family home staff, we recommend you to get those qualifications, and contact us.

We ask your support for setting up a family home

The Great East Japan Earthquake on March 11th 2011 caused great damage to the East Japan Japanese society, but as The Cornerstone Orphanage we supported the foundation of a family home in the disaster - stricken area.

The Cornerstone Orphanage is now working to expand our project all over Japan. We kindly ask you all to support us further more from our heart.

Director of The Cornerstone Orphanage

PAUL AKIMOTO
