

Ms Naomi, speaking in report meeting.

The Cornerstone Orphanage Founding Family Homes Newsletter

Thank you for your support and cooperation in the work of the children's welfare Cambodia orphanage finally purchased a new car for itself, by your generous donations. We give thanks from our hearts for your support.

As I remember, the last car had been worked for 15 years, for bringing children to school and for the daily work of Ms Katsuko Maeda. But it had problems with its engine and its roof had a leak. Sometimes, when it rained, water filed inside of the car as it is a convertible. So everyone was looking forward to getting a new car.

The car they purchased is a wonderful japanese car. On the other hand, Ms Naomy, who has been studying in Japan for one year, is going to finish the term of study and go back to Cambodia. Naomy improved her japanese greatly, and she also experienced a part-time job in Tokyo. Naomy will go back to Phnom Penh University as a senior, studying one more year, and Naomy has a wish to work in Japan in the future.

Personally, I would be grateful if she would help our family home project in Japan We pray and ask you to support our work continuously again this year.

We need foster staff and assistant staff for a family home project. You need one of these qualifications to become a foster staff member, such as major welfare in university or college, who worked in a children's care center or infant home more than three years. If you would like to work as a family home staff, we recommend you to get those qualifications, and contact us.

We ask your support for setting up a family home

The Great East Japan Earthquake on March 11th 2011 caused great damage to the East Japan Japanese society, but as The Cornerstone Orphanage we supported the foundation of a family home in the disaster - stricken area.

The Cornerstone Orphanage is now working to expand our project all over Japan. We kindly ask you all to support us further more from our heart.
