

Ms. Naomi, when she was going back to Cambodia.

# The Cornerstone Orphanage Founding Family Homes Newsletter

Thank you for your support and cooperation in the work of the children's welfare.

Ms. Naomi, who had been studying in Japan one year from last September, went back to Cambodia at the end of August safely. As for Ms. Naomi, it was a precious opportunity not only studying Japanese but also experiencing completely different cultures and lifestyles of Japan.

This is a message from Ms. Naomi. "I could have a wonderful year, learned lots of Japanese, and I could visit many places of Tokyo, and those are my good memories in Japan. I appreciate everyone who supported me very much!"

This is a thanks message from Ms. Katsuko Maeda, who is in charge of Cambodia orphanage. "I had a little worry for sending a young girl university student to abroad, but precious help of many people and meeting with everyone who has been supporting her, she could finish one year of study in Japan safely. I give thanks to everyone from my heart. Ms. Naomi is going to study in university in Cambodia as a senior for one year from now on.

We pray and ask you to support our work continuously again this year.

We need foster staff and assistant staff for a family home project. You need one of these qualifications to become a foster staff member, such as major welfare in university or college, who worked in a children's care center or infant home more than three years.

If you would like to work as a family home staff, we recommend you to get those qualifications, and contact us.

# We ask your support for setting up a family home

The Great East Japan Earthquake on March 11th 2011 caused great damage to the East Japan Japanese society, but as The Cornerstone Orphanage we supported the foundation of a family home in the disaster - stricken area.

The Cornerstone Orphanage is now working to expand our project all over Japan. We kindly ask you all to support us further more from our heart.

Director of The Cornerstone Orphanage
