We are expecting your attendance from our hearts.

We need foster staff and assistant staff for a family home project. You need one of these qualifications to become a foster staff member, such as major welfare in university or college, who worked in a children's care center or infant home more than three years. If you would like to work as a family home staff, we recommend you to get those qualifications, and contact us.

# We ask your support for setting up a family home

The Great East Japan Earthquake on March 11th 2011 caused great damage to the East Japan Japanese society, but as The Cornerstone Orphanage we supported the foundation of a family home in the disaster - stricken area.
