

We ask your support for setting up a family home

The Great East Japan Earthquake on March 11th 2011 caused great damage to the East Japan Japanese society, but as The Cornerstone Orphanage we supported the foundation of a family home in the disaster - stricken area. The Cornerstone Orphanage is now working to expand our project all over Japan. We kindly ask you all to support us further more from our heart.

Director of The Cornerstone Orphanage **PAUL AKIMOTO**

*The Family Home is a project of fostering" children in need of protection" (children who do not have a guardian, or who are recognized as inappropriate to be taken care of by a guardian) in a home of a person who is an experienced foster parent, or a person approved by the ministerial ordinance of the Ministry of Welfare and Labor. The land we bought in Zambia

The Cornerstone Orphanage Founding Family Homes Newsletter

Thank you for your support and cooperation in the work of the children's welfare. In order to set up the family home, now we are researching the place to set it up. We have a vision to set up a family home all over Japan.

We are considering the places, including the place we once had a connection. We are truly grateful for your support for the children of the Philippines, Cambodia, and Zambia.

Because of your support, the children's lives are protected safely, and they are living with hope for the future.

By your support, we could send the rest of school needs of this school year, for 32 children at the beginning of November. The staff of the Philippines are so thankful for your generous support.

In Zambia, by the donation of the company called Kansai Engineering, which has been supporting us, we bought a land near the secondary school we are operating.

We give thanks from our hearts. We have given another chance to help more children.

Cambodia orphanage accepted 4 boys who are 8 years old, 5 years old, 3 years old, and 1 year old. They will go to school and start new life

striving toward independence. We ask for your continuous support for them, too.

We pray and ask for your help for the children's growth and their future continuously from now on.

We need foster staff and assistant staff for a family home project. You need one of these qualifications to become a foster staff member, such as major welfare in university or college, who worked in a children's care center or infant home more than three years. If you would like to work as a family home staff, we recommend you to get those qualifications, and contact us.
