The Cornerstone Orphanage Founding Family Homes Newsletter

We would like to express our heartfelt gratitude for your continued support and partnership in the child welfare ministry of Cornerstone Orphanage.

On June 6, we held the 25th Annual General Meeting of Cornerstone Orphanage online via Microsoft Teams, with approximately 20 board members, staff members, and regular members participating. During the meeting, we presented and approved the 2025 Activity Report and Financial Report. Updates were shared on the work being carried out at our orphanages both in Japan and overseas, and we thanked God for His faithfulness throughout the past year.

We also introduced our plans for 2026, including the ongoing development of our orphanage ministries, our vision of establishing orphanages on all five continents, and the nationwide expansion of the Family Home program in Japan.

We are pleased to announce that Cornerstone Orphanage has recently launched its official mobile application. The app can be downloaded using the QR code provided below.

Thanks to your generous support, children in our care continue to grow and thrive each day. We sincerely appreciate your faithful partnership and ask for your continued support and prayers for the children and the future development of this ministry.

We are also currently seeking caregivers and caregiver assistants for our Family Home program. If you are interested in serving in this important ministry, please feel free to contact us for more information.

We ask your support for setting up a family home

The Great East Japan Earthquake on March 11th 2011 caused great damage to the East Japan Japanese society, but as The Cornerstone Orphanage we supported the foundation of a family home in the disaster - stricken area.

The Cornerstone Orphanage is now working to expand our project all over Japan. We kindly ask you all to support us further more from our heart.

Director of The Cornerstone Orphanage **PAUL AKIMOTO**
