The Cornerstone Orphanage Founding Family Homes Newsletter

Thank you very much for your continued support of Cornerstone Orphanage.

We sincerely appreciate your kindness and generosity.

On July 16, we held the Cornerstone Orphanage Report Meeting. About 50 supporters joined us at the Green Plaza Hotel Hakuba. During the meeting, we shared updates about our work with children in the Philippines, Zambia, and Cambodia. Through videos and presentations, everyone was able to see how the children are growing and how your support is helping them. The meeting began with greetings from Board Chair Makoto Kihara and Vice Chair Naoto Kitano. They thanked everyone for their faithful support and shared their hope of continuing to build a better future for children together. From the Philippines, we showed a video about the children's daily lives and our activities. We also shared a special message from Ms. Eleanor, who thanked all of our supporters for their kindness and encouragement. We then connected live with Zambia, where Ms. Oko Mutale gave an update on the children and the local program. It was a wonderful opportunity to hear directly from Zambia and see the impact of your support. We also welcomed Ms. Ruth Maeda, who recently returned from Cambodia. She shared about the children, their growth, and the work being done there. Her report reminded us that every child is being cared for with love and hope. After each presentation, there was time for questions and answers. Many participants asked thoughtful questions and learned more about our work. At the end of the meeting, we shared ways to continue supporting the children and received a special offering. We are deeply thankful for the generous support we received. Thank you to everyone who joined the meeting and to all who continue to support Cornerstone Orphanage throughout the year. Your kindness gives children hope and the opportunity for a brighter future.

We ask your support for setting up a family home

The Great East Japan Earthquake on March 11th 2011 caused great damage to the East Japan Japanese society, but as The Cornerstone Orphanage we supported the foundation of a family home in the disaster - stricken area.

The Cornerstone Orphanage is now working to expand our project all over Japan. We kindly ask you all to support us further more from our heart.
