

Ms. Ruth Maeda Katsuko speaking at the activity report meeting

The Cornerstone Orphanage Founding Family Homes Newsletter

We would like to sincerely thank you for your continued support and cooperation with the work of Cornerstone Orphanage.

Next May, the Cambodia Orphanage will celebrate its 30th anniversary. For the past 30 years, we have been able to continue this work because of the warm support of so many people. We have seen children who once came to us in tears find their smiles again, go to school, discover their dreams, and grow into young adults. With hope for the future, each child has been able to move forward, one step at a time.

Recently, "Cambodia Orphanage Activity Report Meetings" were held in Tokyo, Nagasaki, Yokkaichi, and Hyogo. We were very thankful that so many people came to attend the meetings. I personally attended the meeting in Yokkaichi. Many people gathered and listened carefully as Ms. Maeda shared about the 30-year history of the Cambodia Orphanage and how the children are doing today.

We also received many generous donations at the meetings. We are deeply grateful for your kindness and support for the children. Thank you very much to everyone who took time out of their busy schedules to attend the meetings. We will carefully use the precious support you have given us for the children. We will continue our work so that they can grow and move forward with hope for their future. This December, we are also scheduled to renew our certification as a Certified NPO, which takes place every five years. We are now preparing the necessary documents for the renewal. Looking back over the past 30 years, we are once again very thankful that we have been able to continue this work with the support of so many people. We will continue preparing for the renewal so that we can carry on our work and continue supporting the children as they grow and build their futures. We sincerely thank you for all your support over the years. We greatly appreciate your continued understanding and support for the work of Cornerstone Orphanage.

[Family Home Caregivers and Assistant Caregivers Wanted] Cornerstone Orphanage Family Home is currently looking for caregivers and assistant caregivers to help care for and support the children in their daily lives. Applicants should have graduated from a university or vocational school in a welfare-related field, or have at least three years of work experience at a children's home, infant care facility, or similar child welfare facility. The Great East Japan Earthquake on March 11th 2011 caused great damage to the East Japan Japanese society, but as The Cornerstone Orphanage we supported the foundation of a family home in the disaster - stricken area.

The Cornerstone Orphanage is now working to expand our project all over Japan. We kindly ask you all to support us further more from our heart.
