

Children enjoying a picnic (Cambodia Orphanage)

The Cornerstone Orphanage Founding Family Homes Newsletter

We would like to thank you from our hearts for your continued support for the children of the Cornerstone Orphanage.

In Cambodia, after finishing the school year, the children and staff took a trip to a national park. They enjoyed spending time in nature, swimming in the pool, and having a fun and relaxing day together. The new school year started in September. PN, who finished Grade 9, will now attend a vocational school to study to become a hair dresser.

In Zambia, the new school term has started. However, because of the weak Japanese yen, our operating funds have decreased by about 40%. As a result, we are facing a shortage of funds for school meals and other needs. There are also children who have lost their homes and are living in difficult situations, and they need our support.

In the Philippines, about US\$5,744 is needed for school supplies, school fees, and other educational expenses. We ask for your continued support so that the children can continue their education without worry.

At our Japan office, we have completed the necessary paperwork to renew our Certified NPO status in December. An audit is also planned for early December. We hope that everything will go smoothly and that our Certified NPO status will be renewed so that we can continue our work to support children in need. Thank you very much for your warm support and prayers.

[Family Home – Caregivers and Assistant Caregivers Wanted]

The Cornerstone Orphanage Family Home is looking for caregivers and assistant caregivers to support the children in their daily lives. Applicants should have graduated from a university or vocational school in social welfare or have at least three years of work experience at a children's home, infant care facility, or similar institution. Children need caring adults who will stay close to them and support them so that they can feel safe and grow up healthy and happy.

If you are interested in this important work of supporting the future of children, please feel free to contact us.

We ask your support for setting up a family home

The Great East Japan Earthquake on March 11th 2011 caused great damage to the East Japan Japanese society, but as The Cornerstone Orphanage we supported the foundation of a family home in the disaster-stricken area.

The Cornerstone Orphanage is now working to expand our project all over Japan. We kindly ask you all to support us further more from our heart.

Director of The Cornerstone Orphanage
